

**REMARKS**

Applicant's attorney thanks the Examiner for the telephone interviews conducted February 4, 5 and 7, 2008 for the purpose of identifying and curing informalities in the pending claims to expedite the prosecution of the subject application.

Applicant's attorney has amended the pending claims in line with the claims discussed at the interview. Also, the term "faster", wherever it appears in claims 1, 2, 14, 15, 28 and 29, has been replaced with the term "higher data rate" to more accurately describe the accompanying term "second wireless communication link" or "radio link. "

Entry of the Supplemental Amendment, allowance of the claims, and passage to issue of the subject application are requested.

**AUTHORIZATION**

The Commissioner is hereby authorized to charge any additional fees which may be required for consideration of this Amendment to Deposit Account No. 13-4500, Order No. 4208-4146.

In the event that an extension of time is required, or which may be required in addition to that requested in a petition for an extension of time, the Commissioner is requested to grant a petition for that extension of time which is required to make this response timely and is hereby authorized to charge any fee for such an extension of time or credit any overpayment for an extension of time to Deposit Account No 13-4500, Order No. 4208-4146.

Respectfully submitted,
